Dear Honorable Judge Robinson,

July 7, 2005

Due to the nature of my case and the motion before the Honorable Court, I would like to ask about the possibility of obtaining a court-appointed attorney to assist me in any further action required. I have been quite fortunate thus far to have been assisted by my peers, who have a limited knowledge of the law. I truly believe that had I had an attorney when initially charged, I would not be in this current situation. The balance of my life lies in this motion and I cannot afford to have my case dismissed due to an error that could have been avoided thus leaving me with this natural life sentence to contend with.

I hope and pray that you can be of some assistance in this matter. Thank you for your time and thoughtful consideration.

Respectfully Submitted:

Kenneth M. Smith
